

Karl Pearson sesquicentenary conference

Friday 23 March 2007

Royal Statistical Society
12 Errol Street, London, EC1Y 8LX

**A joint meeting of the Royal Statistical Society,
the British Society for the History of Mathematics,
and the British Society for the History of Science**

b s h m
The British Society for the
History of Mathematics

Event organiser:

- Dr Eileen Magnello <MEileenMagnello@aol.com>

This is a one day conference to celebrate the 150th birthday of the Victorian mathematician, Karl Pearson (1857-1936) who established the discipline of mathematical statistics.

Speakers include:

- Mr John Aldrich
- Dr June Barrow-Green
- Dr Eileen Magnello
- Dr Christopher Pritchard
- Professor Stephen Stigler
- Professor A. W. F. Edwards

Conference fees include lunch and refreshments at the Royal Statistical Society for:

- Full-time students (with proof of status)
- BSHM/BSHS members/RSS Fellows
- Others

How to get there:

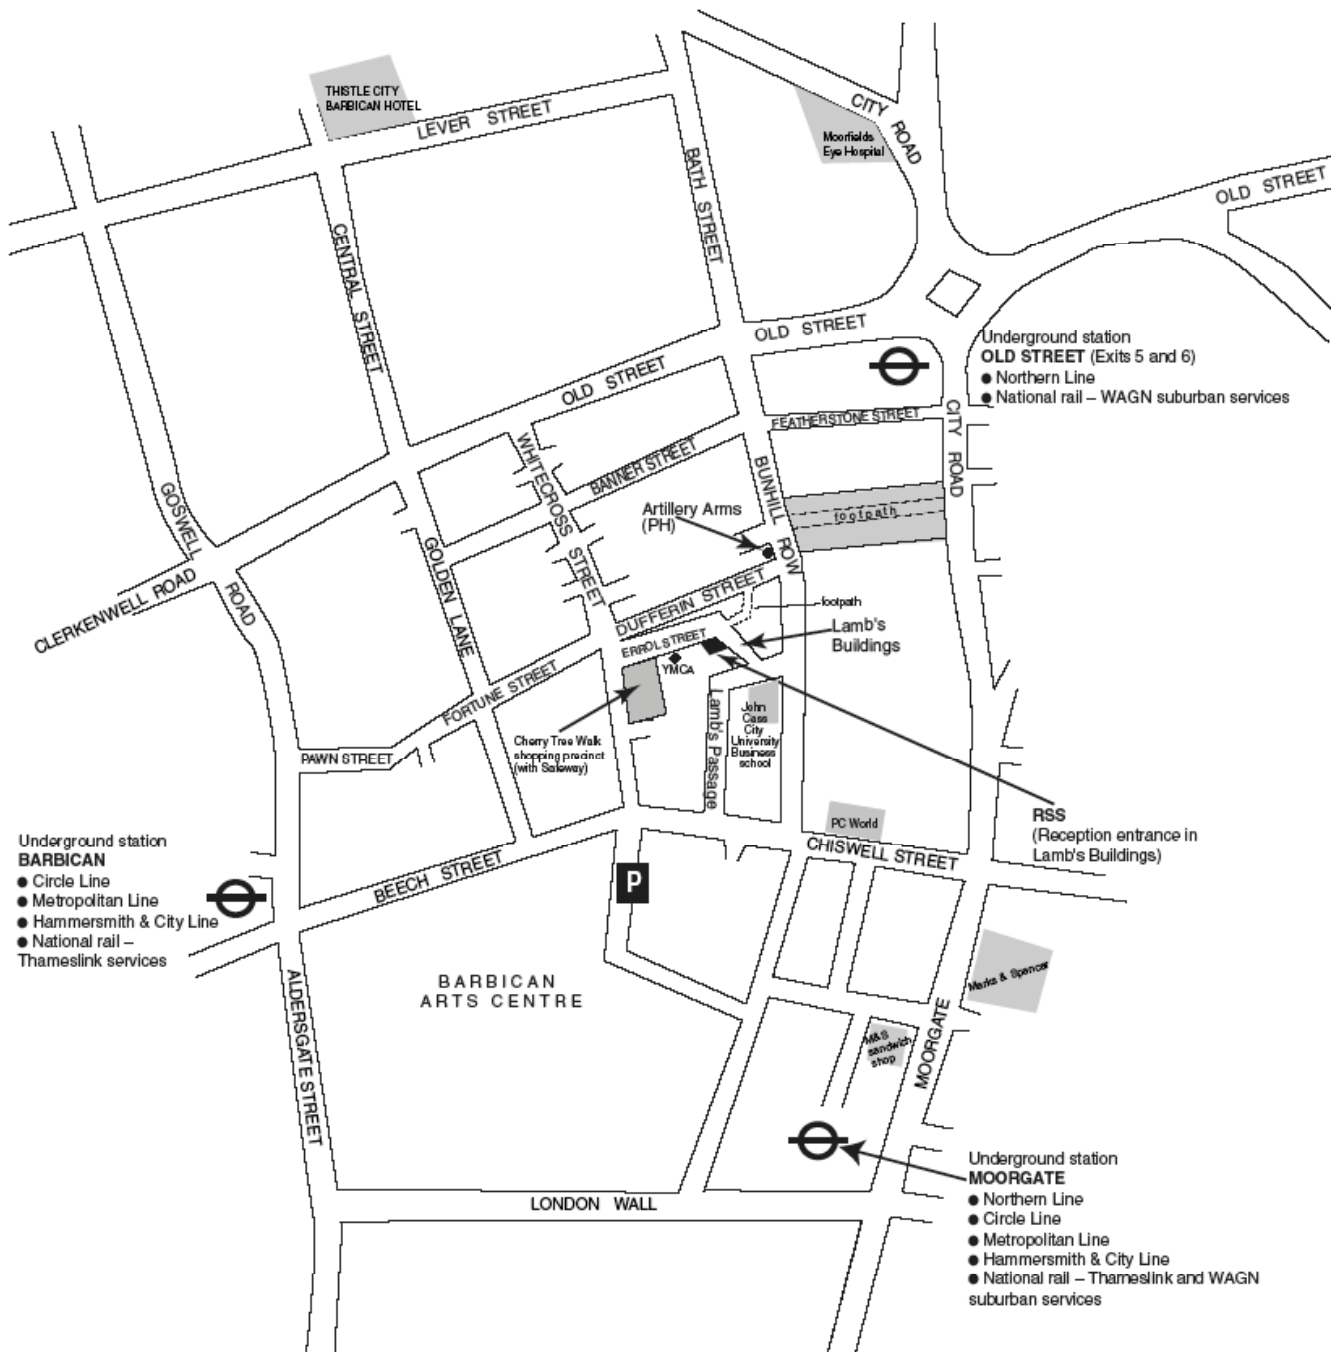

The nearest Tube stations are Barbican, Liverpool Street, Old Street and Moorgate. See the map on page 2

Booking form:

Please use Royal Statistical Society form on page 3 and return to Paul Gentry at the Royal Statistical Society

Booking: completed application forms are processed on a first-come-first-served basis. Final confirmation will only be sent once payment has been received.

Cancellation: if you cancel your place more than 1 month before the meeting date, we will refund the fee (less an administration charge). If you cancel your place between 1 month and 2 weeks of the meeting date, we will refund 50% of the fee. If you cancel your place within 2 weeks of the meeting date, you are liable for the full fee and there will be no refund. By completing this order form you are accepting these cancellation terms.
